

Supplemental Privacy Notice
Effective: January 1, 2023

This supplemental notice is provided to explain the ways McKesson processes your personal data. This notice supplements the privacy notice provided by the manufacturer of your product.

Sources of Personal Data

We collect personal data from the following categories of sources:

- Your device or browser
- Directly from you when you provide information
- Our affiliates and business partners
- Data verification services
- Marketing vendors and advertising networks
- Healthcare providers

Personal Data We May Collect

We collect or process the following categories of personal data:

- Identifiers, such as real name, alias, postal address, unique personal identifier, online identifier, Internet Protocol address, email address, account name, signature, physical characteristic or description, telephone number, insurance policy numbers, employment status, or employment history
- Characteristics of protected classifications, such as race, sex, disability, marital status
- Commercial information, including records of personal property, products or services purchased, obtained, or considered or other purchasing histories or tendencies
- Biometric information
- Internet or other electronic network activity, including, but not limited to, browsing history, search history, and information regarding interactions with the site
- Geolocation data
- Professional or employment-related information
- Education information
- Inferences drawn from any of the information identified above to create a profile about you that reflects your preferences, characteristics, psychological trends, predispositions, behavior, attitudes, intelligences, abilities, and aptitudes

We collect or process the following categories of *sensitive* personal data:

- Social security number
- Medical information
- Health insurance information
- Racial or ethnic origin
- Genetic data
- Biometric information
- Personal information collected and analyzed concerning your health

Processing, Disclosure, and Retention of Personal Data

The categories of data collected and listed above will be processed, disclosed, sold, shared, and retained as described below:

Processing Purpose	Categories of Third Parties to which we Disclose that Personal Data	Categories of Third Parties to which we “Sold” or “Shared” that Personal Data	Retention
--------------------	---	---	-----------

<ul style="list-style-type: none"> • To perform the business services you have requested and/or to provide reasonably expected goods • To develop new products and services • To provide personalized and non-personalized offers and services based on your interactions with our site/product or affiliated vendors utilizing your browsing history, search history, and interactions with our site products, or services • To detect security incidents that compromise the availability, integrity, authenticity, and confidentiality of stored or transmitted personal information • To prevent malicious, deceptive, fraudulent, or illegal actions and to prosecute those responsible for those actions • To protect our rights, property, and safety or the rights, property, and safety of others • To perform services, such as maintaining or servicing accounts, providing customer service, processing or fulfilling orders and transactions, verifying information, processing payments, providing financing, providing analytic services, or providing storage • To verify, analyze, maintain, or enhance the quality or safety of our products and services 	<ul style="list-style-type: none"> • Our vendors and service providers • Healthcare providers • Our affiliates and business partners • Law enforcement, when required by law • Our customers, on whose behalf we are collecting your information 	<p>We do not sell or share your personal data</p> <p>We do not knowingly sell or share personal data of residents under the age of 16.</p>	<ul style="list-style-type: none"> • We retain your data as required and allowed by our customer contracts , Terms of Service, regulatory/legal obligations, or as otherwise allowed.
---	---	--	--

<ul style="list-style-type: none"> • For profiling in furtherance of decisions that produce legal or similarly significant effects concerning a consumer • To comply with legal obligations 			
---	--	--	--

There are times when personal data is shared or disclosed externally with other companies, organizations, or individuals when we have a good faith belief that access, use, preservation, or disclosure of that data is reasonably necessary to:

- Meet applicable laws, regulations, legal processes, or enforceable governmental requests
- Enforce applicable Terms of Service, including investigation of potential violations
- Detect, prevent, or otherwise address fraud, security, or technical issues
- Protect against harm to the rights, property or safety of our users, McKesson, or the public as required or permitted by law
- Engage in a merger, acquisition, reorganization, or sale of all or a portion of the business's assets

We may sell or share deidentified information. Deidentified information is data that is no longer considered individually identifiable and has been deidentified in compliance with either the HIPAA expert determination method or the HIPAA safe harbor method as described in Sections 164.514(b)(1) and (2) of the Code of Federal Regulations.

Your Rights

Certain states provide privacy rights to their residents. If you or your authorized representative would like to exercise one of your rights, please refer to the website for the manufacturer of your medication.
